

Preliminary Program: Friday, June 3

The most current program is available on am.asco.org.
Sessions are listed under primary track only.

CSS = Clinical Science Symposium

ED = Education Session

EXT ED = Extended Education Session

 **MTP** = Meet the Professor Session (ticketed)

 **CPO** = Clinical Problems in Oncology Session (ticketed)

Primary Track	1:00 PM	2:00	3:00	4:00	5:00
Special Sessions					
Breast Cancer 	MTP: Complex Decision Making in Clinical Practice: Interpreting <i>HER2</i> Results				CSS: Breast Cancer—HER2/ER
Cancer Prev, Genetics, & Epi			EXT ED: Genetics and Genomic Testing in Oncology Care		
Care Delivery & Practice Mgmt	EXT ED: Practicing in the Age of Value-Based Clinical Pathways				
CNS Tumors	EXT ED: Multidisciplinary Management of Brain Metastases				
Dev Therapeutics & Transl Res	ED: Biomarkers, Blood-Based Testing, and the Heterogeneous Tumor		ED: Pharmacokinetics, Dynamics, and Genomics in the Era of Immunotherapy and Small Molecules		 MTP: Prescribing and Managing Immunotherapy
GI (Colorectal) Cancer					
GI (Noncolorectal) Cancer	ED: HER2, VEGFR, and Beyond: Genomic Profiling of Upper Gastrointestinal Tract Cancers and the Future of Personalized Treatment		ED: Localized Pancreatic Cancer: Multidisciplinary Management With Incorporation of ASCO Guidelines		
GU (Nonprostate) Cancer			 MTP: Systemic and Surgical Considerations in Upper Tract Transitional Cell Carcinoma		 CPO: Testicular Cancer: A Multidisciplinary Case-Based Discussion
GU (Prostate) Cancer			ED: Oligometastatic Disease in Prostate Cancer: Treating the Patient or the Scan?		ED: Contemporary Active Surveillance for Prostate Cancer: Do We Need Better Imaging and Molecular Testing?
Gynecologic Cancer	EXT ED: Global Oncology Clinical Science Symposium: HPV-Associated Malignancies				ED: Intraperitoneal Chemotherapy for Ovarian Cancer: Trials and Tribulations
Head & Neck Cancer					
HSR & Quality					ED: NICE or Not? Evaluating Global Strategies for Sustainable Cancer Care
Hematologic Malignancies—Leukemia, MDS, & Allograft	EXT ED: Immunotherapeutic Approaches to Treating Hematologic Malignancies				
Hematologic Malignancies—Lymphoma & CLL					
Hematologic Malignancies—Plasma Cell Dyscrasia			Oral Abstract Session: Hematologic Malignancies—Plasma Cell Dyscrasia		
Lung Cancer					
Melanoma/Skin Cancers					
Patient & Survivor Care	ED: New and Improved? Use of White Blood Cell Growth Factors in Oncology Practice			EXT ED: Heart to Heart: How to Protect the Heart During Cancer Therapy	
Pediatric Oncology	ED: The State of the Art in Neuroblastoma: From Biology to Survivorship		Oral Abstract Session: Pediatric Oncology I		
Professional Development 	EXT ED: On the Shoulders of Giants: Cooperative Groups and Clinical Trial Design—Past, Present, and Future			EXT ED: Practical Tips for Academic, Private, and Industry Career Tracks: Negotiating Contracts and Education Debt Management	
				ED: Special Session for Program Directors and Key Clinical Faculty	
	EXT ED: Maintenance of Certification and Lifelong Learning Workshop				
EXT ED: Grant Writing Workshop					
Sarcoma					
Tumor Biology					

Preliminary Program: Saturday, June 4

CSS = Clinical Science Symposium

ED = Education Session

EXT ED = Extended Education Session

Primary Track	7:30 AM	8:00	9:00	10:00	11:00	12:00 PM
Special Sessions		CSS: Special Clinical Science Symposium #1	Opening Session With Fellows of the American Society of Clinical Oncology, Guest Speaker's Address, Presidential Address, ASCO Humanitarian Award, and David A. Karnofsky Memorial Award and Lecture			
Breast Cancer						
Cancer Prev, Genetics, & Epi		ED: Controversies in Genetic Evaluation				
Care Delivery & Practice Mgmt		ED: The Oncology Care Model: The Man Behind the Curtain				
CNS Tumors		 MTP: Treatment of Medulloblastoma: The Devil Is in the Details				
Dev Therapeutics & Transl Res						
GI (Colorectal) Cancer		Poster Session: Gastrointestinal (Colorectal) Cancer				
GI (Noncolorectal) Cancer		Poster Session: Gastrointestinal (Noncolorectal) Cancer				
GU (Nonprostate) Cancer						
GU (Prostate) Cancer		ED: Precision Medicine in Advanced Prostate Cancer: Understanding Genomics, Androgen Receptor Splice Variants, and Imaging Biomarkers				
Gynecologic Cancer		ED: Divide and Conquer: Epithelial Gynecologic Cancers Beyond <i>BRCA</i>				
Head & Neck Cancer		ED: Best of the Rest: Top Abstracts on Head and Neck Cancer From 2015-2016 Oncology Meetings				
HSR & Quality		ED: Using Social Media, Wearables, and Electronic Medical Records to Improve Quality of Cancer Care				
Hematologic Malignancies—Leukemia, MDS, & Allograft						
Hematologic Malignancies—Lymphoma & CLL		ED: Chemoimmunotherapy Versus Targeted Treatment in Chronic Lymphocytic Leukemia: When, How Long, How Much, and in Which Combination?				
Hematologic Malignancies—Plasma Cell Dyscrasia		ED: Defining and Redefining Myeloma				
Lung Cancer		Poster Session: Lung Cancer—Non-Small Cell Local-Regional/Small Cell/Other Thoracic Cancers				
		Poster Session: Lung Cancer—Non-Small Cell Metastatic				
		ED: Lung Cancer Screening and Prevention				
Melanoma/Skin Cancers		 CPO: Real-World Issues Using Immunotherapy and Targeted Therapies in Melanoma				
Patient & Survivor Care		EXT ED: Individualizing Care for Older Adults Across the Cancer Care Continuum: Emerging Evidence and Collective Wisdom				
Pediatric Oncology		ED: Controversies in Germ-Line Genetic Testing and Disclosure in Pediatric Oncology				
Professional Development	ED: How to Navigate the Annual Meeting (Fellows and Junior Faculty Only)					
Sarcoma						
Tumor Biology						

 **MTP** = Meet the Professor Session (ticketed)

 **CPO** = Clinical Problems in Oncology Session (ticketed)

	1:00	2:00	3:00	4:00	5:00
	ASCO/American Association for Cancer Research (AACR) Joint Session: The Next Frontier of Genomics in the Clinic and Clinical Trials				
	Oral Abstract Session: Breast Cancer—Triple-Negative/Cytotoxics/Local Therapy			AWARD: Gianni Bonadonna Award and Lecture	
	ED: Evolving Recommendations on Prostate Cancer Screening				
	ED: Death With Dignity or Physician-Assisted Suicide? A Thoughtful Discussion		ED: MACRA Town Hall: Effects on Your Medicare Reimbursement		
	Poster Session: Central Nervous System Tumors			Poster Discussion Session: Central Nervous System Tumors	
	Oral Abstract Session: Developmental Therapeutics—Immunotherapy			ED: Clinical Trial Eligibility Criteria: Tradition Versus Reality	
				ED: Molecular Oncology Tumor Board	
	Poster Discussion Session: Gastrointestinal (Colorectal) Cancer		 MTP: Imaging in Rectal Cancer		
	 MTP: Locally Advanced Esophageal and Gastric Cancer: When Neoadjuvant Therapy Fails		Poster Discussion Session: Gastrointestinal (Noncolorectal) Cancer		ED: Biliary Tract Cancer: The New and the Old
	ED: Elderly Patients With Bladder Cancer: Perspectives From a Surgeon, Medical, and Radiation Oncologist				
	Poster Session: Genitourinary (Prostate) Cancer			Poster Discussion Session: Genitourinary (Prostate) Cancer	
			ED: Symptom Management for the Patient with Gynecologic Cancer		 MTP: Cervical Cancer Screening and Prevention in Low-Resource Countries
	Poster Session: Head and Neck Cancer			Poster Discussion Session: Head and Neck Cancer	
			 CPO: Challenging Cases in the Management of Head and Neck Cancer		
	Poster Session: Health Services Research and Quality of Care			Poster Discussion Session: Health Services Research and Quality of Care	
	ED: Financial Toxicity: Risks, Outcomes, and Solutions		ED: Removing Barriers to Clinical Trial Participation and Presentation of Clinical Trial Participation Awards		
	ED: Progress in Myeloproliferative Neoplasms: Are We Ready?		Oral Abstract Session: Hematologic Malignancies—Leukemia, Myelodysplastic Syndromes, and Allogeneic Transplant		
	ED: Current Management Concepts: Primary Central Nervous System Lymphoma, Natural Killer T-Cell Lymphoma Nasal Type, Post-transplant Lymphoproliferative Disorder				
					 CPO: Rare Plasma Cell Dyscrasia: Amyloid, Monoclonal Gammopathy of Renal Significance, and Waldenström Macroglobulinemia
	Poster Discussion Session: Lung Cancer—Non-Small Cell Local-Regional/Small Cell/Other Thoracic Cancers		Poster Discussion Session: Lung Cancer—Non-Small Cell Metastatic		
	Poster Session: Melanoma/Skin Cancers			Poster Discussion Session: Melanoma/Skin Cancers	
			ED: Cancer Treatment as an Accelerated Aging Process		
	ED: Differences in Approaches to Hodgkin Lymphoma Across the Adolescent and Young Adult Divide		ED: Exploiting Laboratory Insights to Improve Outcomes of Pediatric Central Nervous System Tumors		
	 CPO: Practical Tips to Engage Your Trainees, Advanced-Practice Providers, and Patients		ED: Women in Oncology: A Roundtable Discussion on Professional Development		
			ED: Expanding the Clinically Actionable Cancer Genome		

Preliminary Program: Sunday, June 5

CSS = Clinical Science Symposium

ED = Education Session

EXT ED = Extended Education Session

Primary Track	7:30 AM	8:00	9:00	10:00	11:00	12:00 PM
Special Sessions	Highlights of the Day Session I			CSS: Special Clinical Science Symposium #2		
Breast Cancer		Poster Session: Breast Cancer—HER2/ER Poster Session: Breast Cancer—Triple-Negative/Cytotoxics/Local Therapy				Poster Discussion Session: Breast Cancer—HER2/ER
Cancer Prev, Genetics, & Epi		 MTP: Cancer Screening in Survivors		CSS: Cancer Prevention		
Care Delivery & Practice Mgmt						ED: Quality and Value: Measuring and Utilizing Both in Your Practice
CNS Tumors		Oral Abstract Session: Central Nervous System Tumors				ED: The Future of Immunotherapy in Glioblastoma
Dev Therapeutics & Transl Res		Poster Session: Developmental Therapeutics—Clinical Pharmacology and Experimental Therapeutics Poster Session: Developmental Therapeutics—Immunotherapy				Poster Discussion Session: Developmental Therapeutics—Clinical Pharmacology and Experimental Therapeutics
GI (Colorectal) Cancer		Oral Abstract Session: Gastrointestinal (Colorectal) Cancer				
GI (Noncolorectal) Cancer						
GU (Nonprostate) Cancer		Oral Abstract Session: Genitourinary (Nonprostate) Cancer				
GU (Prostate) Cancer		 CPO: Tumor Board on Systemic Therapies for Metastatic Prostate Cancer: Induction, Maintenance, and Sequencing				 MTP: Radium 223 in the Management of Castration-Resistant Prostate Cancer
Gynecologic Cancer			Oral Abstract Session: Gynecologic Cancer			
Head & Neck Cancer		Oral Abstract Session: Head and Neck Cancer				
HSR & Quality						ED: Opportunities for Collective Decision Making in Clinical Practice
Hematologic Malignancies—Leukemia, MDS, & Allotransplant		ED: Molecularly and Phenotypically Defined Subtypes of Acute Lymphoblastic Leukemia: Implications for Management		 MTP: Management of Acute Lymphoblastic Leukemia in Adolescent and Young Adult Patients		
Hematologic Malignancies—Lymphoma & CLL			Oral Abstract Session: Hematologic Malignancies—Lymphoma and Chronic Lymphocytic Leukemia			
Hematologic Malignancies—Plasma Cell Dyscrasia						
Lung Cancer		Oral Abstract Session: Lung Cancer—Non-Small Cell Local-Regional/Small Cell/Other Thoracic Cancers				
			 CPO: Now That We Have Immunotherapy, What Do We Do?			
Melanoma/Skin Cancers		ED: Curing High-Risk Melanoma: Are We There Yet?				
Patient & Survivor Care		Oral Abstract Session: Patient and Survivor Care				ED: Cancer Survivorship: Is Every Patient's Journey the Same? (Includes Presentation of Partners in Progress Award)
Pediatric Oncology		Oral Abstract Session: Pediatric Oncology II				AWARD: Pediatric Oncology Award and Lecture
Professional Development	ED: Training Program Directors' Breakfast					
Sarcoma		Oral Abstract Session: Sarcoma				 CPO: The Role of Chemotherapy in the Neoadjuvant, Adjuvant, and Metastatic Setting for Patients With Soft Tissue Sarcoma: Where Do We Stand in 2016?
Tumor Biology		ED: Tumor Heterogeneity and Therapeutic Resistance				ED: Molecular Diagnostics in Cancer

 **MTP** = Meet the Professor Session (ticketed)

 **CPO** = Clinical Problems in Oncology Session (ticketed)

1:00	2:00	3:00	4:00	5:00
Plenary Session Including the Science of Oncology Award and Lecture The Plenary Session includes abstract presentations of the top practice-changing science, with commentary from expert discussants.			Post-Plenary Discussion Session: Abstract 1	Post-Plenary Discussion Session: Abstract 2
				Post-Plenary Discussion Session: Abstract 3
				Post-Plenary Discussion Session: Abstract 4
				Poster Discussion Session: Breast Cancer—Triple-Negative/Cytotoxics/Local Therapy
				ED: Optimizing Team-Based Oncology Care: Building the Village
				Poster Discussion Session: Developmental Therapeutics—Immunotherapy
				ED: Potentially Resectable Metastatic Colorectal Cancer: A Multidisciplinary Discussion
				ED: Practical Challenges in Endometrial Cancer
				 MTP: Current State of Functional Organ Preservation in Head and Neck Cancer
				ED: Defining and Measuring Quality
				ED: Consolidation and Maintenance: Moving Beyond Autotransplant
				ED: Treatment of Lung Cancer in Medically Compromised Patients
				ED: Optimizing Palliative and End-of-Life Care: Evidence-Based Practice Improvement
				 CPO: Case Studies From the Frontline: Building Leadership Skills to Resolve Conflicts
				ED: Is There a Future for Immunotherapy in Sarcoma?

Preliminary Program: Monday, June 6

CSS = Clinical Science Symposium

ED = Education Session

EXT ED = Extended Education Session

Primary Track	7:30 AM	8:00	9:00	10:00	11:00	12:00 PM
Special Sessions	Highlights of the Day Session II			CSS: Special Clinical Science Symposium #3 ASCO/European CanCer Organisation (ECCO) Joint Session: Value-Based Care	ASCO Book Club	ASCO Annual Business Meeting
Breast Cancer		ED: Breast Cancer Survivorship: Strategies for Optimal Care				ED: Updates and Controversies in HER2-Positive Breast Cancer
Cancer Prev, Genetics, & Epi		Poster Session: Cancer Prevention, Hereditary Genetics, and Epidemiology ED: Refining Breast Cancer Risk Assessment: Additional Genes, Additional Screening				
Care Delivery & Practice Mgmt				MTP: The Contract: Employed Physicians and Shifting Incentives		ED: Access to Cancer Therapeutics in Low- and Middle-Income Countries
CNS Tumors						ED: Treatment of Low-Grade Gliomas in the Era of Genomic Medicine
Dev Therapeutics & Transl Res		Oral Abstract Session: Developmental Therapeutics—Clinical Pharmacology and Experimental Therapeutics				
GI (Colorectal) Cancer						CSS: Gastrointestinal (Colorectal) Cancer
GI (Noncolorectal) Cancer		Oral Abstract Session: Gastrointestinal (Noncolorectal) Cancer				
GU (Nonprostate) Cancer						ED: Renal Cell Carcinoma: Systemic Treatment, Evolving TKIs, and Immuno-Oncology
GU (Prostate) Cancer		Oral Abstract Session: Genitourinary (Prostate) Cancer				
Gynecologic Cancer		ED: Paradigm Shift in the Management Strategy for Epithelial Ovarian Cancer		CSS: Gynecologic Cancer		
Head & Neck Cancer		ED: Integrating Immune Checkpoint Inhibitors and Targeted Agents with Surgery and Radiotherapy for Patients with Head and Neck Cancer				CSS: Head and Neck Cancer
HSR & Quality		MTP: Inside the Minds of Patients: Incorporating Patient-Reported Outcomes Into Clinical Trials and Drug Approvals		Oral Abstract Session: Health Services Research and Quality of Care		
Hematologic Malignancies—Leukemia, MDS, & Allograft		Poster Session: Hematologic Malignancies—Leukemia, Myelodysplastic Syndromes, and Allograft ED: Evolving Therapies in Acute Myeloid Leukemia: Progress at Last?		ED: Why Are Myelodysplastic Syndromes So Difficult to Cure?		Poster Discussion Session: Hematologic Malignancies—Leukemia, Myelodysplastic Syndromes, and Allograft
Hematologic Malignancies—Lymphoma & CLL		Poster Session: Hematologic Malignancies—Lymphoma and Chronic Lymphocytic Leukemia				MTP: Diffuse Large B-Cell Lymphoma: When to Refer Patients for Radiation Therapy
Hematologic Malignancies—Plasma Cell Dyscrasia		Poster Session: Hematologic Malignancies-Plasma Cell Dyscrasia				
Lung Cancer		MTP: Stereotactic Body Radiation Therapy or Surgery for Early-Stage Non-Small Cell Lung Cancer		Oral Abstract Session: Lung Cancer—Non-Small Cell Metastatic		
Melanoma/Skin Cancers				MTP: Melanoma Immunotherapy: Where Do We Go From Here?		ED: Metastatic Melanoma: Making the Right Treatment Choices
Patient & Survivor Care		CSS: Geriatric Oncology		AWARD: B.J. Kennedy Award and Lecture for Scientific Excellence in Geriatric Oncology		
Pediatric Oncology		Poster Session: Pediatric Oncology				MTP: Advancing the Field of Supportive Care in Pediatric Oncology
Professional Development				ED: Curing Burnout in Oncology: Mindful Self-Compassion, Communication, and Practice		
Sarcoma		Poster Session: Sarcoma				
Tumor Biology		ED: What's Next in Cancer Immunotherapy		CSS: Tumor Biology		

 **MTP** = Meet the Professor Session (ticketed)

 **CPO** = Clinical Problems in Oncology Session (ticketed)

	1:00	2:00	3:00	4:00	5:00
			ASCO/Radiological Society of North America (RSNA) Joint Session: Breast Cancer Imaging		
	Oral Abstract Session: Breast Cancer—HER2/ER				ED: Targeted Therapies in Hormone Receptor–Positive Breast Cancer
	Poster Discussion Session: Cancer Prevention, Hereditary Genetics, and Epidemiology		AWARD: ASCO/American Cancer Society Award and Lecture		
	ED: Integrating Patient-Reported Outcomes Into Real-Life Medical Decisions				
			CSS: Central Nervous System Tumors		
	ED: Biomarker Tests for Molecularly Targeted Therapies: Implications and Recommendations for Practicing Oncologists and Investigators				ED: Immunotherapy: Beyond Checkpoint Inhibitors
			ED: Designing Clinical Trials to Achieve Breakthrough Results in Upper Gastrointestinal Malignancies		
	Poster Session: Genitourinary (Nonprostate) Cancer				Poster Discussion Session: Genitourinary (Nonprostate) Cancer
	ED: Cytoreductive Nephrectomy in Renal Cell Carcinoma: A Debate				
	Poster Session: Gynecologic Cancer				Poster Discussion Session: Gynecologic Cancer
	ED: Neoadjuvant Chemotherapy: Location, Location, Location				
			ED: Multimodality Management of Locoregionally Recurrent or Second Primary Head and Neck Cancer		
			ED: Expanded Access and the Right to Try: Navigating the Intersection of Drug Development and Patient Access to Investigational Agents		
	Poster Discussion Session: Hematologic Malignancies—Lymphoma and Chronic Lymphocytic Leukemia			 MTP: Initial Therapy for Older Patients With Chronic Lymphocytic Leukemia	
				ED: PET-Directed Strategies in Lymphoma	
	 MTP: How I Treat High-Risk Multiple Myeloma		Poster Discussion Session: Hematologic Malignancies—Plasma Cell Dyscrasia		ED: Multiple Myeloma: Are We Ready for Personalized Therapy?
	CSS: Lung Cancer—Non-Small Cell Metastatic		ED: Local Therapies in the Management of Oligometastatic and Metastatic Non-Small Cell Lung Cancer		
	Oral Abstract Session: Melanoma/Skin Cancers				ED: Clinical Conundrums in Melanoma Therapy
	Poster Session: Patient and Survivor Care				Poster Discussion Session: Patient and Survivor Care
	ED: Rehabilitation of Patients and Survivors: Seizing the Opportunity				
	Poster Discussion Session: Pediatric Oncology				
	 MTP: The Peer-Review Process and Writing an Outstanding Manuscript				
			 MTP: GISTs and Beyond: New Targets and Novel Therapies		ED: Economic and Regulatory Implications in Drug Development for Sarcoma and Rare Cancers: The Identification of Value and Quality
			Poster Discussion Session: Sarcoma		
	Poster Session: Tumor Biology				Poster Discussion Session: Tumor Biology
			 MTP: The Liquid Biopsy: Breaking out the Key Components		

Preliminary Program: Tuesday, June 7

The most current program is available on am.asco.org.
Sessions are listed under primary track only.

CSS = Clinical Science Symposium

ED = Education Session

EXT ED = Extended Education Session

 **MTP** = Meet the Professor Session (ticketed)

 **CPO** = Clinical Problems in Oncology Session (ticketed)

Primary Track	7:30 AM	8:00	9:00	10:00	11:00	12:00 PM
Special Sessions	Highlights of the Day Session III					
Breast Cancer		ED: Triple-Negative Breast Cancer: Is Change on the Horizon?		ED: Treatment of Premenopausal Women With Endocrine-Sensitive Breast Cancer		ED: Less Is More: A Multidisciplinary Conversation on Treatment Options
Cancer Prev, Genetics, & Epi		Oral Abstract Session: Cancer Prevention, Hereditary Genetics, and Epidemiology				
Care Delivery & Practice Mgmt						
CNS Tumors						
Dev Therapeutics & Transl Res		ED: Biosimilars: Here and Now				
GI (Colorectal) Cancer				ED: Debating Current Controversies in Medical Management of Metastatic Colorectal Cancer		ED: Questions on Treatment of Locally Advanced Rectal Cancer
GI (Noncolorectal) Cancer						
GU (Nonprostate) Cancer				CSS: GU (Nonprostate) Cancer		
GU (Prostate) Cancer						
Gynecologic Cancer						
Head & Neck Cancer						
HSR & Quality						
Hematologic Malignancies—Leukemia, MDS, & Allograft						
Hematologic Malignancies—Lymphoma & CLL		CSS: Lymphoma				
Hematologic Malignancies—Plasma Cell Dyscrasia				CSS: Hematologic Malignancies—Plasma Cell Dyscrasia		
Lung Cancer				ED: Small Cell Lung Cancer: On the Move (Again?)		ED: Immunotherapy: Beyond Anti-PD-1 and Anti-PDL1 Therapies
Melanoma/Skin Cancers						
Patient & Survivor Care						
Pediatric Oncology						
Professional Development						
Sarcoma		ED: Noncytotoxic Approaches to the Treatment of Metastatic Soft Tissue Sarcoma				
Tumor Biology		Oral Abstract Session: Tumor Biology
